DETAILED ACTION

Drawings

1. The drawings were received on April 7, 2006. These drawings are approved.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant, Fredrick Kollar on April 5, 2006.

The application has been amended as follows:

In the claims:

Delete all of pending claims 1-5 and add new claims 7-11 from the Applicant as faxed to the Examiner on April 5, 2006 and attached herein.

In the specification:

Page 10, line 3 of paragraph [024], after "enclosed with a" and before "a top end 21", insert --circular segmental--.

Page 10, line 3 of paragraph [024], after "top end 21 and a" and before "bottom end 24", insert --circular segmental--.

Page 12, line 3 of paragraph [030], after "orienting shelf 25." And before "in shape," replace "Semi elliptical" with --Circular segmental--.

Delete the current abstract and replace with a newly supplied abstract from Applicant as faxed to the Examiner on April 5, 2006 and attached herein.

3. The following is an examiner's statement of reasons for allowance: Newly presented claims 7-11 now recite a spray shield apparatus having a semi-cylindrical body enclosed by a circular segmental top and bottom end. This feature in combination with a riser, friction fit means integrated within the semi-cylindrical body, and means for preventing the spray shield apparatus attached to the riser and interfering with the spray pattern is not known or rendered obvious by the prior art of record.

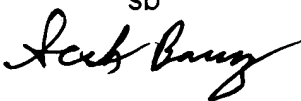

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Seth Barney whose telephone number is (571)272-4896. The examiner can normally be reached on 7:30am-5:00pm (Mon-Fri), first Friday off.
